Last evening the great Schuetzen Verein was in the prime and brilliancy of its life, and the band strikes up for the next waltz or quadtaking the dusty Seventh-street cars we wen- tille everybody is ready for another warm tured to the beautiful park, in company with a siege of hugging and whirling and buzzing miscellaneous crowd of people, which afforded about, and immediately dart off pell-mell for a large amount of food for speculation. All their respective places. Thus, hour after hour, along the route there was a perpetual bustle this same scene is repeated, varied occasionally and noise created by rattling backney-coaches, by the fainting of some exhausted dancer, who cabs, omnibuses, gigs, private conveyances-all manages to fall gently into her partner's arms, crammed and packed, until both vehicles and or the unfortunate babblings and contentions horses groan with the over-task, while the of some nervo-billious youths over a sallow multitude, blinded with thickly-flying dust, brunette, who has split the difference between tostled and knocked against each other, them and gone off with some other young man, laughed and talked, screamed and gossiped, until at last, tired and satisfied with the evenuntil the scene presented one incessant uproar ing's entertainment, they vacate the grounds of mirth and enthusiasm. Arriving at the in little squads and bands, and an hour aftermain entrance, a glance about convinced us ward nothing is heard save the snores of the that Bacchus had already been enthroned, and shop-keepers, who, weary and exhausted, we were satisfied that the lager business was have fallen to sleep, mingled with the heavy lively with a good stock in trade. Presenting and measured tread of the watchmen, who are our season ticket to a little rotund, bare-headed faithfully performing the vigils of the night. German, who was supporting his plumpti- It was currently reported last night that the tudious shoulders against the entrance post, king's banquet took place, and was attended and looking beerfully happy, we passed in. with the usual ceremonies, but as no oppor-A balf-minute's walk brought us to the centre tunity was afforded the geporter of THE RE-

A half-minute's walk brought us to the centre of the grounds, and stopping upon a plat of green sward to rest, we gazed about with mingled feelings of pleasure and admiration.

There was nothing small or insignificant or stitled about the general appearance of the place whatever. Over the broad inclosure, as far as the eye could penetrate, sparkled and blazed a thousand or more quantily constructed Japanese lanterns, suspended from wires and hung in the shrubbery and trees, and the brilliant light and dazzle of these lit up a scene below which occurs once every year with scarcely a variation. Here and there, and on every hand, are the busy beer-booths, filled with a variegated crowd of noisy but happy with the country and the construction of the room for four on the rustic seat surrounding fo' God, he could swar!' the table, and every inch of it is covered. river and stationery or rising becomester.

The following was the range of the thermometer at Hempler's yesterday: At 8 a. m., 820; at 12 m., 890; at 2 p. m., 760; at 4 p. m., 780; at 6 p. m., 790; at 8 p. m., 780.

Don't interview the thermometer. It's discouraging.

Monday Officer Clawson shot a mad dog at the corner of Eighth and M streets northwest. The semi-annual sale of property taken by the police will take place to-day at police headquarters.

Teported bills amounting to \$1,906.75; which were approved and ordered to be paid.

The following is a synopsis of the operations of the health office for the week ending June and a bore, and all amusements "fast and unprofitable" to the victim of indigestion, billions nerves which always accompany them. The semi-annual sale of property taken by the police will take place to-day at police bunches fish, 30 bushels oysters, 60,000 clams.

1.192 WITHOUT ENJOYMENT.

No human being whose stometh and liver are disordered can enjoy life. Business is a faulte and a bore, and all amusements "fast and unprofitable" to the victim of indigestion, billions nerves which always accompany them. The new of the mental despondency which grows out of them, is to tone and regulate the system with Hostetter's Stemseh Ritters. Of all stimulants it is the purest, of all simulants it is the purest, of all simulants it is the purest, of all simulants it has been in use it has lived down professional prejudiess, distanced competition, and taken rank as the standard restorative of the age. LIFE WITHOUT ENJOYMENT.
